

ILSACTIVINE Treatment

- For skin in need of regeneration
- Regenerating, vitalizing and anti-aging treatment

Cleansing: BASIS Creme Demaquillant peaux matures
(cleansing cream)
BASIS PEAUX MATURES - Tonique (Tonic)

Peeling: PROFESSIONAL ILSA-PRO Peeling Enzymatique

Apply 1 tube of the peeling on face, neck and décolleté, avoiding the eye contour area. Keep moistened with Vapozon or with a damp cloth. Leave on for 5-10 minutes. Remove the product thoroughly with a damp cloth, paying a special attention to the hairline.

Serum: ILSACTIVINE Elixir Volume Plus (2-3 pumps)
ILSACTIVINE Flash Lift - Serum Anti-Rides
to be patted gently on the eye contour

Massage: ILSACTIVINE Souffle de Beaute

Apply and massage gently onto face, neck and décolleté a sufficient quantity of the cream for 5-10 minutes.

Mask: BEAULIFT Masque Lift Effet Durable

Apply the creamy mask and leave on for 15 minutes. Remove with a damp cloth.

Final treatment: ILSACTIVINE Souffle de Beaute
